

Adjusting to Divorce for Men Divorce/Domestic Partnership Workshop

At Unlimited Resolutions Mediation, Inc., it is possible to “Grow” through divorce versus “Go” through a divorce.

It can take years to heal the damaging emotional stress and financial fall-out from a divorce or domestic partnership.

Lynn K. Edington
Workshop Leader

The choices you make at the onset will greatly affect your future and the future of your family.

How much does a divorce cost?

Will I have enough to live on after the divorce?

Should I keep or sell my home?

Will I have to go to work or get a higher paying job?

- Gain greater knowledge and have a better ability to exercise control over divorce related challenges
- Recognize the wildly ranging financial impacts of divorce
- Obtain greater awareness regarding available options
- Approach the realities of divorce with a better understanding and a clearer head

Guest Speaker: Charlotte S. Adcock
Financial Advisor with Merrill Lynch

Attendees will gain greater insight to strategies and solutions to help in achieving financial goals and negotiating their future.

Workshops are held on the third Tuesday every other month
Choose which date works best for you:
